

## IPeople Hires Buddy Bergeron as Senior Business Consultant

DALLAS, TX –Interface People (IPeople), a premiere healthcare integration provider, is pleased to announce its newest team member, Buddy Bergeron. Buddy will join the IPeople team as a Senior Business Consultant working remotely from Boston, MA. Within this role, Buddy will support the sales executives with strategic and technical direction, as well as become the primary contact for strategic vendor partnerships.

“I am excited and honored to have the opportunity to work with the amazing group of professionals here at IPeople, said Buddy Bergeron. “They share my long -standing respect for MEDITECH and their customers as well as an unbridled enthusiasm for embracing and solving the myriad of challenges facing hospitals and healthcare today.”

Buddy brings 35 years healthcare IT experience (of which 17 years with Iatric Systems and 17 years with MEDITECH), selling complex technology solutions, services, consulting, and software, combined with proven sales performance and a history of exceeding expectations and annual sales goals. In Buddy’s previous role as Associate VP of Business Development at Iatric, he was intricately involved with all aspects of sales on national and international levels.

IPeople CEO, Gary Armfield commented, “I was very excited to bring Buddy onto the IPeople team, “He has a warm personality, and his understanding of MEDITECH is a great asset not only to IPeople but our customers. I look forward to seeing Buddy's continued positive impact on the MEDITECH community!”
